Gentlemen:

25X1A

Reference is made to your CMCC Dec. No. 151X5.730 dated 23 September 1957.

25X1A

Our travel personnel advise us that the departure for Messrs. [redacted] and [redacted] was originally scheduled for 26 September rather than 28 September. While we are agreeable with the establishment of a firm cut off date we feel it should be one agreed to mutually. Accordingly we can only approve per diem beginning 28 September.

Dear Dan: 25X1A

Messrs. [redacted] who will be sent overseas in connection with the ground System 4 deployment, have been told to terminate their affairs and be ready for departure on Thursday, September 26, 1957, as this is judged to be the earliest departure date for the system. If these men are delayed in departing we will plan to pay them per diem in accordance with the Company policy, and we assume this will be a reimbursable cost under Contract A103 in lieu of Government payment of per diem or the furnishing of quarters.

We are obliged in making arrangements for overseas departure of our people to set firm cutoff dates after which these men must be paid per diem to cover their living expenses since in most cases they give up their previous quarters at this time and start taking their meals in restaurants.

No special approval should be required for this procedure as long as it is agreeable to you and understood that these travel costs will be direct charges to A-103.

Sincerely,

Bob
